

Quality Policy

At Central Quesera Montesinos S.L.U., we dedicate ourselves to the production of cheese of the **highest quality**, seeking on the one hand complete **customer satisfaction** through products that exceed their requirements, as client satisfaction is the essence of the entire organization and because client satisfaction permits the growth of the company, and on the other hand obtaining the **excellence of our products** based on the requirements of the **BRC Standard** and the fulfillment of the quality objectives through unremitting **continuous improvement** in all the processes of the organization, as stagnation never permits continuous improvement.

Our Quality policy is expressed via a firm commitment to the complete satisfaction of our **clients** requirements and expectations, and the obligation to manufacture **safe, legal and authentic products that conform to the specified quality, assuming all the responsibilities** derived thereof, and for this we guarantee to promote the development and continuous improvement of a culture of **Food Safety and Quality**, based on the principles of honesty, development of people, and the commitment to the improvement and safety of our operations, complying with legal requirements and the specifications of our products, with environmental, ethical and occupational responsibility.
